18 May 2010, Melbourne, Australia: Minister Peter Garrett, AM, MP, Minister for Environment Protection, Heritage and the Arts, will open the 'National Waste Policy' workshop at this year's Enviro Conference in Melbourne on Wednesday 21 July 2010.

"The National Waste Policy Workshop will be a unique opportunity for the leaders of the waste management industry to engage directly with the Minister on this significant initiative", said Conference Chairman Max Spedding.

"We are delighted that Minister Garrett will open our Waste Policy Workshop and give us an update on the development of the National Waste Policy", Spedding said.

Enviro 2010 is Australia's premier national assembly of the environment and sustainability industry. The National Waste Policy Workshop, which will examine initiatives that the waste industry can develop to support the National Waste Policy, will be held from 10.00am to 2.30pm on Wednesday 21 July 2010 in Melbourne.

Full details of the Enviro Conference Program, including the Waste Policy Workshop are available on the Enviro website – www.enviro2010.com.au.
