

Final Paper Guidelines

If you would like to submit a final paper for the conference proceedings it must be saved as a PDF or Word 2003 file. There are no requirements for length as it is an electronically saved file.

If you do not wish to provide a final paper, you may give permission for your PowerPoint slides to be provided for delegates as a secure PDF file (it will not be possible for content or images to be copied or extracted from the file), please inform the Enviro Secretariat if this is preferable by ticking the box on the speakers copyright form or contact Alison Bonanno at abonanno@enviroconvention.com.au or 1300 651 026. Please save the file as PowerPoint 2003.

Final papers should be uploaded via the Enviro Speaker's Zone. You will need your EI Access Key to log into the zone, if you do not have your EI Access Key please email Alison Bonanno, at the Enviro Secretariat.

Final papers must be submitted to the Enviro Secretariat by Friday 2 July 2010. Any papers received after this date will not be included in the Conference Proceedings.

If you are speaking at Enviro 2010 you must be registered to attend at least one day of the conference. There is a discounted registration rate for speakers. For more information on rates or to book your registration please contact Alison Bonanno at ABonanno@enviroconvention.com.au or 1300 651 026.
